

IEEE Computational Intelligence Society Japan Chapter

Young Researcher Award

(Symposium on Evolutionary Computation)

is presented to

Yuri Marca

For the distinguished paper and presentation entitled

“NSGA-II with Spline Interpolation on Bi-objective Problems with Difficult Pareto Set Topology”

co-authored with *Hernan Aguirre, Saul Zapotecas, Arnaud Liefooghe, Bilel Derbel, Sebastien Verel and Kiyoshi Tanaka*

presented in *the 2018 Symposium on Evolutionary Computation*
held at KYUKAMURA SHIKANOSHIMA on *December 8-9, 2018*

December 9, 2018

A handwritten signature in black ink, appearing to read 'A. Hirose', written over a horizontal line.

Akira Hirose

Chair, IEEE Computational Intelligence Society

Japan Chapter
